If you believe a child is **at immediate risk** of significant harm or injury, you **must** call the police on 999.

2 Introduction

2.1 Holy Trinity CE Primary Academy is committed to safeguarding and promoting the welfare of children. We will fulfil our local and national responsibilities as laid out in the following key documents:

- Working Together to Safeguard Children (2018)
- Keeping Children Safe in Education (2020)
- Non-statutory interim guidance:
 - [COVID-19: safeguarding in schools, colleges and other](#)
- The procedures of the Safeguarding Vulnerable People Partnership SVPP, (formerly WSCB)
- Information sharing - Advice for practitioners providing safeguarding services to children, young people, parents, and carers (2018)

2.2 The aim of this policy is to ensure:

- all our pupils are safe and protected from harm.
- safeguarding procedures are in place to help pupils to feel safe and learn to stay safe.
- adults in the school community are aware of the expected behaviours and the school's legal responsibilities in relation to safeguarding and child protection.

3 Scope

3.1 Safeguarding children is defined as:

- ensuring that children grow up with the provision of safe and effective care
- acting to enable all children to have the best life chances
- preventing impairment of children's mental and physical health or development and
- protecting children from maltreatment.

3.2 The term 'safeguarding children' covers a range of measures including child protection procedures. It encompasses a preventative approach to keeping children safe that incorporates pupil health and safety; school behaviour management and preventing bullying; supporting pupils with medical conditions; personal, health, social economic education; providing first aid and site security.

3.3 Consequently, this policy is consistent with all other policies adopted by the governors and should be read alongside the following policies relevant to the safety and welfare of our pupils:

- Relationship and Sex education policy
- Code of Conduct & Staff Behaviour Policy
- Teaching and Learning
- Health and safety policy
- Equality Statement
- Whistleblowing policy
- SEND policy
- School Behaviour policy

4 This policy applies to all staff in our school.

4.1 For the purposes of this policy:

- **Staff** refers to all those working for or on behalf of the school, full time, or part time, in a paid or regular voluntary capacity.
- **A volunteer** is a person who performs an activity that involves spending time, unpaid in school (except for approved expenses).
- **Parent** refers to birth parents and other adults who are in a parenting role, for example stepparents, foster carers, and adoptive parents.

- **Child** refers to all children on our school roll and any child under the age of 18 who comes into contact with our school including unborn babies.

(Any safeguarding concerns or disclosures of abuse relating to a child at school or outside of school hours are within the scope of this policy).

5 Expectations

5.1 All staff are:

- familiar with this safeguarding policy and have an opportunity to contribute to its review.
- alert to signs and indicators of possible abuse.
- able to record and report concerns as set out in this policy.
- able to deal with a disclosure of abuse from a child.
- involved in the implementation of individual education programmes, integrated support plans, child in need plans and interagency child protection plans as required.

5.2 In addition, all staff have read and understood Part 1 of the latest version of Keeping Children Safe in Education ([KCSiE 2021](#)). School leaders and staff who work directly with children have also read Annex A of the KCSiE.

6 Governors

6.1 As key strategic decision makers and vision setters for the school, the governors will make sure that our policies and procedures are in line with national and local safeguarding requirements. Governors will work with the senior leaders to make sure the following safeguarding essentials are in place:

Training/Teaching	Policy/Procedures	Staffing
Children taught about online safety, Code of Conduct & Staff Behaviour Policy D/DSL training KCSiE Part 1 (and Annex A for staff working directly with children) Looked After Children (LAC) Online safety training for staff Preventing Radicalisation Staff training Whistleblowing	Children Missing out on education and Children Missing Education (CME) Concerns about staff conduct Dealing with a child at immediate risk Early help Female Genital Mutilation (FGM) Honour based abuse (HBA) Peer on Peer abuse Mental Health Reporting abuse /SVPP procedures SEND and safeguarding Staff contribution to policy Safeguarding policy review	Designated Safeguarding Lead (DSL) Deputy Designated Safeguarding lead (DDSL) Designated LAC teacher (even if there are no LAC on roll)

7 Allegations management

7.1 Our chair of governors is responsible for liaising with the local authority Designated Officer for Allegations (DOFA) and other partner agencies in the event of an allegation of abuse being made against the Headteacher.

7.2 See also '[Managing allegations](#) against staff'.

8 Audit

- 8.1 The nominated governor (NG) for safeguarding liaises with the Headteacher and the D/DSL to complete an annual safeguarding audit return to the local authority.

9 Safer Recruitment

- 9.1 Our governors monitor the school's safer recruitment practice.

10 Safer recruitment

- 10.1 All staff are subject to safer recruitment processes and checks and we follow the guidance set out in Part 3 of KCSiE (2020).
- 10.2 At Holy Trinity CE Primary Academy , we scrutinise all applications for paid or voluntary posts. We undertake interviews and make appropriate checks through the Disclosure and Barring Service (DBS). We maintain a single central record (SCR) of the essential checks as set out in KCSiE, that have been carried out and certificates obtained. The SCR applies to:
- all staff (including supply staff, and teacher trainees on salaried routes) who work at the school.
 - All governors See also Training.

11 Staff Behaviour & Code of Conduct Policy (for safer working practice)

- 11.1 Holy Trinity CE Primary Academy is committed to positive academic, social, and emotional outcomes for our pupils underpinned by a strong safeguarding ethos. We are equally committed to the protection and welfare of our staff, who are expected to adhere to the highest standards of professional behaviour.
- 11.2 The Staff Behaviour & Code of Conduct Policy sets out staff behaviours that should be avoided as well as those that constitute safe practice and supports our commitment to safeguarding children.
- 11.3 Teaching staff are additionally expected to act within the guidance of the 'personal and professional conduct' section of the [Teachers' Standards](#).

12 Visitors

- 12.1 All visitors complete a signing in/out form, wear a school ID badge and are provided with key safeguarding information including the contact details of safeguarding personnel in school.
- 12.2 Scheduled visitors in a professional role (eg fire officer) are asked to provide evidence of their role and employment details (usually an identity badge) upon arrival at school.
- 12.3 If the visit is unscheduled and the visitor is unknown to the school, we will contact the relevant organisation to verify the individual's identity, if necessary.

13 Curriculum – teaching about safeguarding

- 13.1 Our pupils access a broad and balanced curriculum that promotes their spiritual, moral, cultural, mental, and physical development, and prepares them for the opportunities, responsibilities and experiences of life.
- 13.2 We provide opportunities for pupils to develop skills, concepts, attitudes, and knowledge that promote their safety and well-being. The PSHE and citizenship curriculum specifically includes the following objectives:
- Developing pupil self-esteem and communication skills
 - Developing strategies for self-protection including online safety
 - Developing a sense of the boundaries between appropriate and inappropriate behaviour in adults and within peer relationships (positive relationships and consent)

14 Early help

- 14.1 At Holy Trinity CE Primary Academy, all our staff can identify children who may benefit from early help as a problem emerges and discuss this with the D/DSL.
- 14.2 The D/DSL uses:
- The Digital Assessment and Referral Tool as appropriate as part of a holistic assessment of the child's needs.
 - The Multi-Agency Thresholds for Safeguarding Children on the SVPP website about suitable action to take when a pupil has been identified as making inadequate progress or having an unmet need.

15 Identifying the signs

- 15.1 All staff know how to recognise and are alert to the signs of neglect and abuse. Definitions of abuse, set out in '[What to do if you're worried a child is being abused](#) - Advice for practitioners' (2015) and 'Keeping Children Safe in Education' (2020) along with notes from safeguarding training, are important reference documents for all staff. Every member of staff is provided with a copy of Part 1 of KCSiE which they are required to read, and which also includes supporting guidance about several specific safeguarding issues. Staff who work directly with children are also required to read Annex A of KCSiE (2020).

16 Responding to concerns/disclosures of abuse

- 16.1 Flowcharts provided by the SVPP that set out the required procedure for staff to follow when they have a safeguarding concern about a child are displayed in the staffroom and adult cloakrooms for easy reference Appendix 2 & 3.
- 16.2 Staff adhere to the organisation's safeguarding training requirements when concerned about abuse or when responding to a disclosure of abuse. Staff understand that they must NOT:
- take photographs of any injuries.
 - postpone or delay the opportunity for the learner to talk.
 - take notes while the learner is speaking or ask the learner to write an account.
 - try to investigate the allegation.
 - promise confidentiality eg say they will keep 'the secret'.
 - approach or inform the alleged abuser.
- 16.3 All staff record any concern about or disclosure by a pupil of abuse or neglect and report this to the D/DSL using the standard form (Appendix 4). It is the responsibility of each adult in school to ensure that the D/DSL receives the record of concern without delay. In the absence of the D/DSL, staff members know to speak directly to the MASH. In some circumstances, the D/DSL or member of staff seeks advice by ringing the MASH for advice.
- 16.4 The D/DSL will liaise with safeguarding partners and work with other agencies in line with Working Together (2018) and will refer to National Police Chief's Council guidance for schools to understand when they should consider calling the police.
- 16.5 During term time, the DSL or DDSL is always available during school hours for staff to discuss any safeguarding concerns.
- 16.6 The voice of the child is central to our safeguarding practice and pupils are encouraged to express and have their views given due weight in all matters affecting them.

17 Missing children and children missing education

- 17.1 Staff report immediately to the D/DSL, if they know of any child who may be:
- Missing – whereabouts unknown or
 - Missing education – (compulsory school age (5-16) with no school place and not electively home educated)

- 17.2 The designated teacher for LAC and care leavers discusses any unauthorised/unexplained absence of Looked After Children with Virtual School when required.
- 17.3 The DSL shares any unauthorised/unexplained absence of children who have an allocated social worker within 24 hours.
- 17.4 Children who do not attend school regularly can be at increased risk of abuse and neglect where there is unauthorised/unexplained absence, and
- after reasonable attempts have been made to contact the family without success, the DSL follows the SVPP procedure and consults/refers to the MASH team as appropriate.
 - there are no known welfare concerns about a pupil, we follow our procedures for unauthorised absence and report concerns to the Education Welfare Service.

18 Children with Special Education Needs and Disabilities (SEND)

- 18.1 Pupils with additional needs face an increased risk of abuse and neglect. Staff take extra care to interpret correctly apparent signs of abuse or neglect. We never assume that behaviour, mood, or injury relates to the pupil's additional needs without further exploration. Staff understand that additional challenges can exist when recognising abuse and neglect in pupils with SEND, including communication barriers. Staff recognise that children with SEND are also at a higher risk of peer group isolation and can be disproportionately affected by bullying.
- 18.2 To address those additional challenges, extra pastoral support is considered for children with SEND and they are also encouraged to discuss their concerns. The D/DSL works with the Special Educational Needs Co-ordinator (SENCo) to identify pupils with additional communication needs and whenever possible, these pupils are given the chance to express themselves to a member of staff with appropriate communication skills.

19 Female Genital Mutilation (FGM)

- 19.1 FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences. Staff will inform the D/DSL immediately if they suspect a girl is at risk of FGM. We will report to the police any 'known' cases of FGM to the police as required by law.

20 Peer on Peer abuse

- 20.1 All children have a right to attend school and learn in a safe environment. All peer-on-peer abuse is unacceptable and will be taken seriously. Staff recognise that while both boys and girls can abuse their peers, it is more likely that girls will be victims and boys' instigators of such abuse. Peer on peer abuse is not tolerated, passed off as "banter" or seen as "part of growing up". It is likely to include, but not limited to:
- bullying (including cyber bullying)
 - gender based violence/sexual assaults
 - sexting
 - 'upskirting' or any picture taken under a person's clothing without their permission or them knowing to obtain sexual gratification or cause humiliation or distress.
 - initiation/hazing type violence and rituals.
- 20.2 Consequently, peer on peer abuse is dealt with as a safeguarding issue, recorded as such, and not managed through the systems set out in the school behaviour policy.
- 20.3 Any pupil who may have been victimised and/or displayed such harmful behaviours, along with any other child affected by peer-on-peer abuse, will be supported through the school's pastoral system and the support will be regularly reviewed.
- 20.4 We minimise the risk of peer-on-peer abuse by providing:
- a relevant curriculum, that helps children to develop their understanding of acceptable behaviours, healthy relationships and keeping themselves safe. The curriculum is updated to reflect changes in legislation, and the mandatory teaching of Relationship Education, Relationship and Sex Education and Health Education.

- established/publicised systems for pupils to raise concerns with staff, knowing they will be listened to, supported, and valued, and that the issues they raise will be taken seriously.
- 20.5 The DSL liaises with other professionals to develop robust risk assessments and appropriate specialist targeted work for pupils who are identified as posing a potential risk to other children. This is done using a Contextual Safeguarding approach to ensure assessments consider risks posed by any wider environmental factors present in a child's life.

21 Domestic abuse

- 21.1 Staff understand that domestic abuse is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence, or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass but is not limited to: psychological; physical; sexual; financial; and emotional harm.
- 21.2 The DSL liaises with partner agencies as part of 'Encompass' in Wiltshire. When police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the DSL ensures the organisation receives up to date relevant information about the child's circumstances and will ensure key staff provide emotional and practical support to the child according to their needs.

22 Mental health

- 22.1 All staff are aware that mental health problems can be an indicator that a child has suffered or is at risk of suffering abuse, neglect, or exploitation.
- 22.2 Staff understand that:
- abuse and neglect, or other potentially traumatic adverse childhood experiences can have a lasting impact throughout childhood, adolescence and into adulthood. Staff are aware of how these experiences can impact on children's mental health, behaviour and education.
 - they have a duty to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.
- 22.3 If staff have a mental health concern about a child that is also a safeguarding concern, they will report this concern using the agreed reporting mechanisms.

23 Preventing Radicalisation

- 23.1 Protecting children from the risk of radicalisation is part of schools' wider safeguarding duties and is similar in nature to protecting pupils from other forms of harm and abuse.
- 23.2 Staff use their judgement in identifying pupils who might be at risk of radicalisation and speak to the D/DSL if they are concerned about a pupil. The D/DSL will always act proportionately, and this may include making a Prevent referral to the Channel support programme or to the MASH.

24 Serious violence

- 24.1 We are committed to success in learning for all our pupils as one of the most powerful indicators in the prevention of youth crime.
- 24.2 Our curriculum includes teaching conflict resolution skills and understanding risky situations to help our children develop the social and emotional skills they need to thrive.
- 24.3 Staff are trained to recognise both the early warning signs of contextual risks and that pupils may be vulnerable to exploitation and getting involved in gangs as well as indicators that a

pupil is involved in serious violent crime. They are also aware of the associated risks and know the measures put in place to minimise such risks.

25 Off site visits and exchange visits

- 25.1 We carry out a risk assessment prior to any off-site visit and designate the specific roles and responsibilities of each adult, whether employed or volunteers.
- 25.2 Where there are safeguarding concerns or allegations that happen offsite, staff will follow the procedures described above and in the SVPP flowcharts as appropriate. A copy of the flowcharts is taken on off-site visits for reference.
- 25.3 Any adult over 18 in a host family will be subject to DBS checks. We work with partner schools abroad to ensure that similar assurances are undertaken prior to any overseas visit by our pupils.

26 Exceptional operating circumstances

- 26.1 If the school is required to change the way we offer our provision to children due to exceptional circumstances eg during a pandemic lockdown, staff responsibilities to remain alert to the signs and risks of abuse to children will continue to apply. In such circumstances:

26.2 The DSL will:

- work closely with social care and partner agencies to support children in these circumstances and to identify children who may be at risk for the first time and/or benefit from additional support
- use specific local and national guidance about safeguarding in such circumstances to inform practice and will ensure staff, children, and families are provided with written:
 - amended DSL arrangements as required (names, location and contact details) o temporary changes to procedures for working with children eg online. o amended procedures for reporting concerns o safeguarding training arrangements
 - timescales for such changes so that all children, families, and staff understand when such arrangements will end, and arrangements revert to those in place prior to the events leading to the need for the temporary changes.

- 26.3 We will ensure the curriculum we offer during such circumstances, continues to promote learners' spiritual, moral, cultural, mental, and physical development.

27 Record keeping and information sharing

27.1 The school:

- liaises with partner organisations (including Wiltshire Council) to ensure any safeguarding records for learners are shared on transition:
 - by the setting/school/organisation previously attended by the child.
 - by our DSL when the child leaves our school.

- 27.2 For any child dual-registered with another school/setting/organisation, the DSL liaises regularly with the DSL at that base to ensure information is shared in the child's best interests. This includes contextual safeguarding information about relationships that young people form in their neighbourhoods, schools and online to enable assessment and intervention to happen within these extra-familial contexts.

- keeps clear written records of all pupil safeguarding and child protection concerns using a standard recording form, with a body map, including actions taken and outcomes as appropriate.
- ensures all pupil safeguarding and child protection records are kept securely in a locked location.
- ensures the records incorporate the wishes and views of the pupil.

- 27.3 The D/DSL acts in accordance with Information Sharing – Department for Education (DfE) (2018) and in line with the Wiltshire Council Record Keeping Guidance which includes details about file retention. Information about pupils at risk of harm is shared with members of staff in keeping with the seven golden rules to sharing information in the DfE guidance.
- 27.4 We are committed to work in partnership with parents and carers. In most situations, we will discuss initial concerns with them. However, the D/DSL will not share information where there are concerns that if so doing would:
- place a child at increased risk of significant harm
 - place an adult at increased risk of serious harm
 - prejudice the prevention, detection, or prosecution of a serious crime
 - lead to unjustified delay in making enquiries about allegations of significant harm to a child, or serious harm to an adult.
- 27.5 When we become aware that a child is being privately fostered, we remind the carer/parent of their legal duty to notify Wiltshire Children’s Social Care. We follow this up by contacting Children’s Social Care directly.

28 Escalation of concerns

- 28.1 Effective working together depends on an open approach and honest relationships between colleagues and between agencies.
- 28.2 Staff must be confident and able to professionally disagree and challenge decision-making as an entirely legitimate activity; a part of our professional responsibility to promote the best safeguarding practice. Staff are encouraged to press for re-consideration if they believe a decision to act/not act in response to a concern raised about a child is wrong. In such cases the SVPP Case Resolution Protocol must be used if necessary.
- 28.3 If we are on the receiving end of a professional challenge, we see this as an opportunity to reflect on our decision making.

29 Whistleblowing

- 29.1 All staff can raise concerns about poor or unsafe practice and potential failures in the school safeguarding regime. Our whistleblowing procedures, which are reflected in staff training and our Code of Conduct, are in place for such concerns to be raised with the Headteacher.
- 29.2 If a staff member feels unable to raise an issue with the headteacher or feels that their genuine concerns are not being addressed, other whistleblowing channels are open to them:
- The NSPCC whistleblowing helpline
 - Staff can call: 0800 028 0285 from 08:00 to 20:00, Monday to Friday, or email help@nspcc.org.uk.
 - A member of the governing body: Paul Hughes

30 Managing allegations against staff (including supply teachers and volunteers)

- 30.1 Holy Trinity CE Primary Academy follows the procedure set out by the SVPP ‘Allegations against adults’ flowchart which is displayed in the staffroom and adult cloakrooms for easy reference.
- 30.2 Where anyone in the school has a concern about the behaviour of an adult who works or Headteacher/Principal who will refer to the Designated Officer for Allegations (DOFA).
- 30.3 Any concern or allegation against the Headteacher will be reported to the Chair of Governors without informing the Headteacher.
- 30.4 All staff must remember that the welfare of a child is paramount and must not delay raising concerns by a report could jeopardise their colleague’s career.
- 30.5 Any allegation of abuse will be dealt with in a fair and consistent way that provides effective protection for the child and at the same time supports the person who is the subject of the allegation volunteers at the school, including supply staff, they must immediately consult the.

- 30.6 All members of staff and volunteers have read, signed to confirm they have understood the school's Staff Behaviour & Code of Conduct Policy (for safer working practice).

Training

31 Induction

- 31.1 The welfare of all our pupils is of paramount importance. All staff including governors and regular volunteers are informed of our safeguarding policy and procedures including online safety, at induction.
- 31.2 Our induction for staff also includes:
- Plan of support for individuals appropriate to the role for which they have been hired
 - Confirmation of the conduct expected of staff within the school – our Staff Behaviour Policy
 - Opportunities for a new member of staff to discuss any issues or concerns about their role or responsibilities
 - Confirmation of the line management/mentor process whereby any general concerns or issues about the person's ability or suitability will be addressed.

32 Safeguarding training

- 32.1 This training is for all staff and is updated every 3 years to ensure staff understand their role in safeguarding. Any member of staff not present at this whole school session will undertake this statutory training requirement on their return.
- 32.2 In addition, all staff members receive safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as necessary and at least annually. All staff also receive training in online safety, and this is updated as necessary.

33 Advanced training

- 33.1 The D/DSL has additional multi agency training which is updated every two years as a minimum. The D/DSL also attend multi-agency courses relevant to school needs. Their knowledge and skills are refreshed at least annually eg via e-bulletins or safeguarding networking events with other D/DSLs. The D/DSL attend a Wiltshire MASH tour.

34 Safer Recruitment

- 34.1 At least one person on any appointment panel has undertaken Safer Recruitment Training. This training is updated every five years as a minimum.

35 Preventing Radicalisation

- 35.1 All staff including governors undertake Prevent awareness training.

36 Staff support

- 36.1 Due to the demanding, often distressing nature of child protection work, we support staff by providing an opportunity to talk through the challenges of this aspect of their role with a senior leader and to seek further support as appropriate.

37 Governors

- 37.1 As well as the school's safeguarding induction programme, governors are encouraged to complete face to whole school safeguarding and child protection training. In addition, governors may attend face training for governors provided by Wiltshire Council.

38 Monitoring and Review

- 38.1 Governors ensure that safeguarding is an agenda item for every full governing body meeting.

- 38.2 The Headteacher ensures that safeguarding is an agenda item for every staff meeting.
- 38.3 This policy is reviewed annually or earlier as required by changes to legislation or statutory guidance. The nominated governor meets the DSL every term (six times a year) to monitor the effectiveness of this policy.
